The Road to University 大學之道

LIANG Keying 梁可盈

我在應對文憑考試時，無論失敗多少次，仍然堅持練習；縱使不斷摔倒，總是堅強爬起來。最終，我成功克服了瓶頸，在文憑試中發揮順利。所以，在學習過程中，辛勤的學子絕不會輕言放棄，唯獨擁有迎難而上的精神，才能在學習路途上勇往直前。

Keeping Love Alive in the New Normal

YY3 is once again awarded the top accolade in the Caring School Award Scheme

It is always one of YY3's goals to be a caring school **and provide our teachers and students with a learning environment full of love, care and harmony**, which is highly praised by the stakeholders of the education sector. This year, our school was awarded the top accolade once again in the Caring School Award Scheme jointly organized by the EDB, Hong Kong Association of Careers Masters and Guidance Masters and Hong Kong Christian Service the 2021 'Caring School Theme Award - Outstanding Caring School for Keeping Love Alive in the New Normal'. We outperformed the other 446 schools and were awarded the championship in the secondary school division. This relies on the cooperation and the close relationship between different stakeholders of the school. We support the students and parents in multiple ways during the pandemic to cater for their needs.

Indeed, our school has been always awarded in the Caring School Award Scheme: the 'Caring School Award' for twelve consecutive years; 'Caring School Theme Award - Leading to Harmony' in 2015 and 'Merit Award of the Caring School Theme Award - Life Education' in 2016.

Besides, in the earlier External School Review by the Education Bureau, our school again received excellent comments in terms of Support for Student Development from the EDB. Our school has performed excellently. In the **1st and 4th 'Outstanding Teaching Award for Moral Education' jointly organized by the EDB and Winsor Education Foundation**, we were awarded the Excellence Award in the secondary school division. Moreover, in the Hi-Five Student Engagement Award Scheme held by the EDB, The Education University of Hong Kong and the Baptist Oi Kwan Social Service, we received the 'Intellectual Engagement' Special Award and the 'Social Engagement' Special Award in two consecutive years. With the continuous effort put by the teachers, students and parents, students are having stronger sense of belonging to the school in the harmonious and strongly-bonded atmosphere.

All these years, we have been upholding the spirit of 'Love and Care, All We share; We are Family, Harmony in Diversity' to make plans in our administrative measures, curriculum, activities, facilities and connection with the society. On the grounds of 'Love, care and harmony', YY3 will continue to strive for the best to nurture the new generations who possess mutual love and respect.

逆境新常態 校園顯關愛

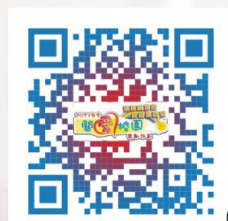

圓玄三中再奪關愛校園獎勵計劃最高榮譽

建立關愛校園，讓師生在充滿關愛共融的環境下學習，一直是圓玄三中的目標，同時獲得外界高度讚揚。今年，圓玄三中再度從教育局、香港輔導教師協會及香港基督教服務處合辦的關愛校園獎勵計劃奪得最高榮譽2021年度「逆境新常態 校園顯關愛」主題大獎。本校在447參與學校中脫穎而出，奪得中學組冠軍第一名。這實有賴校內不同持份者通力合作，於疫情期間從多個途徑支援學生和家長，以照顧他們不同的需要。

其實本校多年來已屢次榮獲多個關愛校園大獎：連續十二年獲得「關愛校園」榮譽、2015年更獲得「牽引共融」主題大獎，以及2016年獲「推動生命教育」主題優異獎。

此外，在早前的校外評核報告中，本校在學生成長及支援方面再獲評「優異」；在教育局與南聯教育基金合辦的「品德教育傑出教學獎」中，分別於第一屆及第四屆獲中學組「優秀獎」；在教育局、香港教育大學及浸信會愛羣社會服務處舉辦的「樂繫校園獎勵計劃」中，亦連續兩年分別獲得「知識連繫」及「人際連繫」主題特別獎。如此，在師生、家長的共同努力下，本校樂見校園和諧友愛的氣氛逐漸濃厚，學生對學校的歸屬感亦日益提升。

學校多年來皆以「關懷以情·愛人以誠·友愛共融·和而不同」的精神，考量各項行政措施、課程、活動、設施，以及社區聯繫。在「關愛共融」的土壤中，圓玄三中將繼續培育互助互愛的新一代。
