#### Sharing from the Star 摘星之子分享奪星心得

Regarding learning methods, many of my schoolmates only focus on working hard. Working hard is of course very important. However, only by working hard, you might just end up with an average result, with which you may not get into your favorite university. The most important thing is to find suitable methods to deal with different subjects!

For language subjects like Chinese and English, you may raise your learning efficiency through hobbies like watching movies and listening to songs, in which you can improve your writing and listening abilities by appreciating how the languages can be used. As to inquiry-based subjects like mathematics and sciences, you have to understand the focuses of the knowledge and theories. You should avoid memorizing individual cases. In this way you will know how to tackle questions presented in different ways. In an exam you are expected to apply concepts and theories that you have learnt to deal with different situations and questions.

Dear younger schoolmates in YY3, you can make it! See you in HKU.

談及學習方法，我校不少同學只集中於努力。的而且確，努力非常重要，但只懂埋頭苦幹，也許只能助你考到中庸的成績，未必能助你入讀最理想、最心儀的大學。最重要是找到合適的方法，去應付不同類型的科目！

中英文等語言類科目可以透過興趣學習來提升學習效能，例如看電影或聽歌，從中感受文字運用時的藝術，久而久之寫作及聆聽能力都會有所提升。至於探究性的學科如數學、理科等，在學習過程中要理解知識及理論的重心，而非死記個別例子。當題目類型不同時，我們也會懂得如何作答。考試就是考你能否舉一反三，利用原有的概念及理論來應對不同的情況及問題。

各位三中的師弟妹，加油！下年讓我在香港大學迎接你！

# Mr. Wong Kin Ho Elected as the Outstanding Teacher

The school endeavors to build and nurture a team of elite teachers. Since the establishment of the school, three of the teachers have been elected as the Outstanding Teachers in the Outstanding Teachers Election organized by the Hong Kong Federation of Education Workers. In 2014, the school is delighted to have one more teacher, Mr. Wong Kin Ho, being elected as the Outstanding Teacher. It is impressive that Mr. Wong is the only secondary school teacher elected in the Caring Sector of the 2014 election.

本校非常重視建立及培養卓越的教師團隊，開校以來已先後有三位老師於「香港教育工作者聯會——優秀教師選舉」中獲選為優秀教師。於2014年本校再增添多一位備受讚譽的優秀教師——黃建豪老師。黃老師更是這次選舉關愛組別中唯一獲選而被表揚的中學老師，實屬難得！

Mr. Wong Kin Ho, the Outstanding Teacher, took a photo with Mr. Jasper Tsang, the current President of the Legislative Council.  
優秀教師黃建豪老師與立法會主席曾鈺成先生合照留念。

My teaching philosophy is "to be strict with love". I would let my students feel that I do have expectations of them. Those students who have just known me may think I have high expectations of them. I would let them know that their effort would be rewarded and worth it. Therefore, I am not like a friend to my students. Probably I am like a strict but loving father to them instead.

我的校園教學哲學是「嚴而有愛」，讓學生感受到我對他們是有要求、有期望的，或許初接觸我的同學會覺得我要求高，但我亦會慢慢讓他們知道，他們的付出是有回報的、是值得的。因此我與學生的關係不太像朋友，或許有點像父親與子女，一個嚴而有愛的父親。

The achievement of Mr. Wong attracted the press from The "Schoolike" of Hong Kong Federation of Youth Groups to cover. 黃老師的成就亦吸引青協「讚好校園」記者到校採訪。

Throughout the trip, the story of Tan Kah Kee had impressed me a lot. He endeavored to promote the development of his homeland and spent a lot on education. His contribution was vital to the development and achievement of the Xiamen University, Jimei University and the secondary schools and primary schools in Jimei. I hope I can contribute as much as I can to Hong Kong!

對我來說，是次考察之旅中最深刻的是一個人名——陳嘉庚先生。他為故鄉的發展親力親為，投資興辦教育。集美學村美麗的大中小學、廈門大學的發展和成就，都離不開陳嘉庚先生的付出。願我有機會在我的香港發揮陳嘉庚先生的精神！

Macau had once been all about gambling and entertainment to me. This cultural trip had enabled me to know more about the unique culture of Macau and look at the city from a new perspective. I most appreciate that Macau government has been striving to preserve and revitalize the cultural heritage, combining it with tourism. It serves as a good example to Hong Kong.

以往提起澳門這個城市，在我腦海裡第一時間出現的是「賭博」、「娛樂」這些字眼。但今次考察之旅，讓我在另一個角度了解澳門——這個擁有獨特文化的地方。而最令我欣賞的是，澳門政府致力保存及活化文化遺產，更將之與旅遊結合，值得我們借鏡。

The most impressive scenic spot throughout the trip was the Chapel of Our Lady of Penha, which looked warm to me. This Gothic chapel built in the 16<sup>th</sup> century looked plain but grand and solemn. It was indeed fascinating. The respect that the Macau people pay to their culture is clearly illustrated by the preservation of this artistic building.

旅程中令我印象最深刻的景點是澳門主教山小堂，它給我的印象是親切、溫暖。16世紀哥德式設計的教堂，雖然沒有什麼特別的裝飾，但莊嚴宏大的氣勢已教人陶醉於其中。單從保育此座極具藝術價值的建築物，可見澳門對文化的尊重。

## Message from the Chairlady 家教會主席寄語

Time flies. It has been the seventeenth year since the school was established. I have had mixed feelings witnessing its growth and transformation. I still remember that, after the school's establishment, the teachers had persisted to patrol in the neighborhood. Their effort polished the image of the school among the residents in the neighborhood. In recent years the school has gained reputations. The satisfactory results that the students have attained in public exams have illustrated how hard they have worked. The improvement in the HKDSE exam results this year has been very encouraging. This achievement is the reward for the hard work of the teachers and students.

The students have also attained a lot of achievement in extra-curricular activities. The juggling class is particularly famous. I have a good perception of the school because the principal and the teachers always listen carefully and give thorough answers to every question raised by the parents. In this way, communication and cooperation between the parents and the school have been greatly enhanced. In the future, the PTA will continue supporting the school and sponsoring meaningful activities such as the "Chinese Red Eggs for Birthday Boys and Girls Project", scholarships and bursaries, promoting school-family cooperation.

I wish the school a successful academic year.

The PTA has set up scholarships and bursaries to encourage students to achieve higher.

家長教師會設獎助學金鼓勵同學發奮向上。

時光飛逝，不經不覺，圓玄三中已踏入第十七個年頭。看著她的成長及改變，真是百感交集。由最初學校開校，看著一群老師憑著一股拼勁及堅持，每天早上及放學不斷在邨內巡邏，令到一些在最初不看好學校的街坊漸漸改觀。直至現在已成為一所口碑不錯的學校，而同學們在每次公開考試的成績已是最好證明。而今屆文憑試成績更上一層樓，令人鼓舞，這是老師和同學們一同努力的成果。

學校更在校外活動中獲獎無數，尤其雜耍班更是無人不識。學校給我一個很好的觀感，因為當我們家長提出問題時，校長及老師都會細心聆聽，耐心解釋，使大家溝通良好，從而促進家校合作。未來家長教師會會繼續支持學校，並資助有意義的活動如「生日紅雞蛋計劃」及「家教會獎助學金」，以體現家校合作的精神！

在此祝學校百尺竿頭，更進一步。
